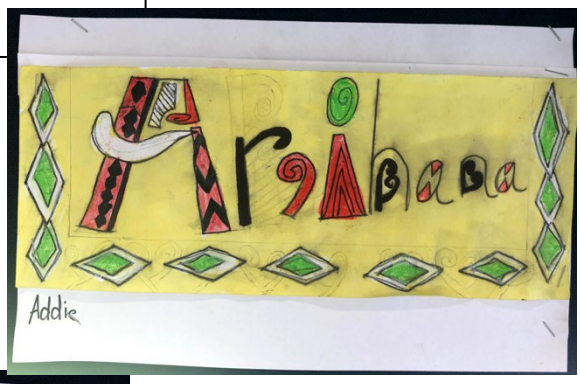
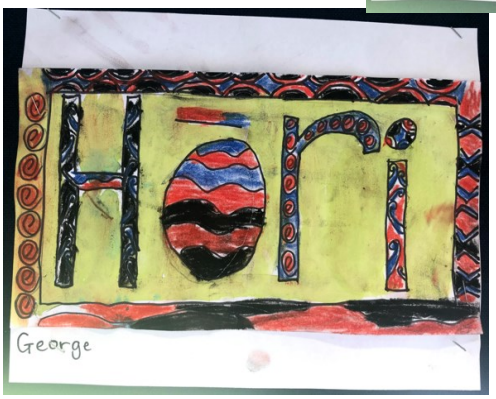
Room Flemington...

Room Flemington have been lucky enough to have an awesome student teacher, Miss B, working with us for the last 7 weeks! We have done so many cool things with her and will be sad to see her go this week. Good luck for your teaching career Miss B! Below are some pieces of art we have made with her…

We translated our names into Te Reo and then used pastel and dye to create Maori lettering and borders.





We also made minibeast art by creating different textured backgrounds and then cutting these up to create a mosaic on a minibeast shape.
